## THE MICE AND THE CAT.

(Courtesy B. F. Johnson Publishing Co., from Graded Classics. Copyright.) An old cat was fast killing all the mice in a house. The mice met one night to see what they could do to make the cat leave the house. Each mouse would get up and tell of some way. A little mouse said, "I will tell you what to do; hang a bell on the cat so we can know when she is coming and get out of her way."

some of them began to dance and some ran to get a bell. "Now who will hang the bell on the

cat?" said an old mouse. "Not I, not I," said all the mice at

# Healthy Old Age Brings Happiness

Simple Remedy Promotes Health By Overcoming Tendency to Constipation.

Advancing years impair the action of the vital organs. Old age should be the period of greatest happiness, but good health is necessary. Constipation should not be tolerated-it is

often the direct cause of ill health. Headache, belching, biliousness bloat, drowsiness after eating and other symptoms of constipation can be readily relieved by the use of a simple laxative compound sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. Mr. J. H. #### He Lived There.

James E. Ferguson, governor of Texas, smiled the other evening when the conversation turned to the subject of bad breaks. He said he was reminded of how Smith sadly fozzled.

Some time ago Smith was taken to an entertainment in an unfamiliar town by a friend, and being somewhat bored toward the end of the show he looked around the room for a sympathetic soul.

"You look just the way I feel about it," he remarked to a sad-looking citizen. "These receptions are the most tiresome things on the face of the earth."

"Yes," admitted the sad-faced one. with something akin to a sigh. "They are rather tiresome."

"Bore you to beat the band," returned Smith, and then suggested, "Why don't you go home?"

"I am home," was the startling rejoinder of the other. "I live in the bloomin' place."

"I continued to improve right along after leaving off coffee and taking Postum, and now after three years' use I feel so well that I am almost young again. I know Postum was the cause of the change in my health and I cannot say too much in its favor. I wish I could persuade all nervous people to use it."
